SUSTAINABILITY LEARNING CONFERENCE NW 2026

THURSDAY 25TH JUNE

BLACKBURN ROVERS FOOTBALL CLUB

ZERO WASTE
PACKED LUNCH CHALLENGE

All schools attending the conference are required to participate in our two-part Zero Waste Packed Lunch Challenge. The first part is to bring an eco-friendly packed lunch to the conference, and the second is to design a prize-winning zero waste poster, with one entry per school.

ZERO WASTE PACKED LUNCH CHALLENGE

THE CHALLENGE

All schools attending the conference are required to participate in our two-part Zero Waste Packed Lunch Challenge. The first part is to bring an eco-friendly packed lunch to the conference, and the second is to design a prize-winning zero waste poster, with one entry per school.

ECO-FRIENDLY PACKED LUNCH GUIDELINES

Your lunch should produce absolutely no waste when finished - this means no leftover packaging or food. If you can re-use, recycle, or compost any part of your lunch, it does not count as waste. We encourage everyone to get creative and think carefully about their choices.

Hints and Tips for a Perfect Zero Waste Lunch:

- Use a reusable lunch box or a recyclable paper carrier.
- Place sandwiches in a reusable tub or wrap them in recyclable foil.
- Bring your drink in either a recyclable plastic bottle or a reusable flask. Even better, bring a cup and enjoy delicious tap water!
- Pack fresh, juicy fruit wrapped in its own skin, which can be composted after eating.
- Add a treat such as a homemade crispy cake.

ZERO WASTE POSTER COMPETITION

Each school should design a persuasive poster encouraging everyone to make zero waste packed lunches and picnics, not just for the conference but every day. Get creative to inspire others!

PRIZES & WHAT TO BRING

There are three prizes of £25 for winning posters. Please remember to bring both your zero-waste lunch and your school's poster with you on **Thursday 25th June.**
